

As a sports college we feel it is imperative that your child participates, in the appropriate kit, as fully as possible in all practical lessons. Any illness or injury must be accompanied by a note from the parent/carer and will be kept by the PE department. For minor illnesses and injuries, the lesson will be adapted accordingly i.e. the injured students can become coach, referee or teacher, rather than player or performer. For this to be done safely PE kit must be worn (this can be adapted for the type of activity i.e. coat and tracksuit bottoms for outdoor coaching, to save school uniform). Please ensure your son/daughter brings the correct kit for lessons. Students without kit will be loaned clean kit to wear. No jewellery can be worn for PE lessons at any time

Girls and boys minimum requirement:

1. Plain black shorts
2. College PE shirt
3. Non marking gym shoes or trainers
4. Sports socks – in appropriate house colour

Boy's minimum requirement: as above, plus:

1. Football boots
2. Shin Pads
3. Gum shield (can be purchased from the PE department for £1)

Optional extras

1. College micro fleece
2. Plain black tracksuit trousers (no stripes down the side or large logos)

**Leggings will not be acceptable for use in PE from September**

You can find all of the kit available to order at <http://www.proservgroup.com/sir-john-hunt-31-c.asp> or you can follow the link from the Curriculum PE area on the college website, print the order form and send it to Proserve.
